Commercial Lines Policies

The Louisiana Department of Insurance has approved the following changes to the property insurance rate levels for Commercial Lines policies written by Louisiana Citizens Property Insurance Corporation. The approved rate changes are applicable to all new business and renewal policies effective February 1, 2021.

All underlying rating factors will be derived from the 2020 ISO/PIAL Commercial Lines Manual (Filing Number CF-2019-RLA2) with the exception of the following adjustments to the base rates:

FAIR PLAN

- All Group I base loss costs in the manual shall be multiplied by 5.172 for all FAIR plan policies.
- All Group II base loss costs in the manual shall be multiplied by 1.837 for all FAIR plan policies.

COASTAL PLAN

- All Group I base loss costs in the manual shall be multiplied by 5.889 for all Coastal plan policies.
- All Group II base loss costs in the manual shall be multiplied by 2.652 for all Coastal plan policies.

The new rates are available for quoting. To obtain a quote using the new rates, simply change the requested effective date to February 1, 2021 or later. The EPIC Quote screen will allow you to advance the requested effective date up to sixty days from the date the quote is generated. The EPIC Quote screen will not allow you to back date the requested effective date.

All policies effective on or after February 1, 2021 will be priced using the new rates, irrespective of when the quote was generated.
